Students are to contact each advisor at the Graduate School having any questions or requests. This is a University policy and is not to be violated. The Graduate School has a policy of no exceptions. The University of Utah is a public institution and is not a for-profit organization. The University of Utah is a public institution and is not a for-profit organization.

Please be sure that there are no holds on your account. It is the student's responsibility to be informed of any requirements. If a credit over or under is reported, it will be applied to the course application with the form. Variations in credit are not to be used in the number of credits for a course.
